Laminate Cleaner

1. PRODUCT DESCRIPTION

Special wipe over care product. For routine cleaning and cleaning after installation of laminate floors and laminate-coated surfaces (e.g. kitchen and bathroom furniture).

- Removes dirt, grease and shoe marks.
- Without layer formation.
- Improved edge protection. Adapted to all click laminates.
- Recommended in the leaflet of the EPLF (European Producers of Laminate Flooring) for cleaning and maintenance of laminate floors.

Please take note of our specific floor care guides under under www.dr-schutz.com.

2. APPLICATION

Dilute Laminate Cleaner in a ratio of 1:200 (50 ml to 10 litres of water) and wipe the floor damp with this solution. Large areas can be cleaned with the product diluted 1:200 to 1:400 in conjunction with an SRP mono-disc machine and white or red pad using the spray cleaning method. Remove grease stains, shoe marks and other firmly adhering dirt with undiluted Laminate Cleaner and a cloth or scratch-free white pad. Remove dirt and cleaning agent residues with wrung-out cloths and wipe with clear water until damp.

Please note:

- Never leave laminate floors damp or even wet for a long time, as they can absorb water in the edge area and change shape (swelling). Therefore, always wipe damp (i.e. with well-wrung mops) and do not create "puddles" on the floor.
- Stubborn stains and glue residues can be removed with Dr. Schutz Elatex.

3. CONSUMPTION

Routine cleaning: 0.1 litre per 100 m²

4. STORAGE

Store in a cool dry place. Protect from frost. Keep out of the reach of children.

5. TECHNICAL DATA

Ingredients: water / less than 5% non-ionic surfactants / perfumes LIMONENE / solvent / Care components / preservation agents BRONOPOL METHYLISOTHIAZOLINONE METHYLCHLOROISOTHIAZOLINONE Contains reaction mass of: 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May produce an allergic reaction.
GISCODE GU50 (daily cleaning agent, containing solvents, unmarked)(Germany)
ADR/RID: Not a dangerous good as defined by transport regulations.
CLP/GHS: no labelling obligation. UFI: TR40-00QV-D007-7P4P

Laminate Cleaner
