Wood & Cork Floor Cleaner

1. PRODUCT DESCRIPTION

Neutral cleaning concentrate. For routine cleaning of wood and cork floors. For residential and commercial applications.

- Based on highly effective surfactants.
- Gentle removal of heavy soiling and grease.
- Excellent cleaning and emulsifying properties.
- Without dissolving care films.
- Without deposits on the surface and maintenance effect.
- Suitable for cleaning sports floors.

For cleaning after installtion prior to applying care layers. Carefully coordinated cleaning and care system with
Wood & Cork Floor Polish satin / Wood & Cork Floor Polish mat

Please take note of our specific floor care guides under under www.dr-schutz.com.

2. APPLICATION

Remove coarse dirt by sweeping or vacuuming.
For routine cleaning, dilute 1:200 (50 ml per 10 l) with water and wipe the floor with this cleaning solution until damp. Allow to dry.

Please note:

- Wood can swell when exposed to excessive water. Exposure to water through joints can lead to spotting. Therefore, always wipe only "damp" (with wrung-out cloths), do not leave puddles on the floor and keep water exposure short.
  Does not remove polymer coatings. For this we recommend:
- Wood Floor Deep Clean / Clean&Strip .
- For final cleaning, dilute in a ratio of 1:10 (1 litre to 10 litres of water). Work in sections to keep the exposure to water short. Apply cleaning solution with the mop and immediately emulsify dirt, waxes and surface silicones with the mono-disc machine/red pad. Take up the dirt water. Wipe damp with clean water.
- Regularly maintained wooden floors can be cleaned mechanically using the spray-suction method. To do this, dilute the product 1:400 (25 ml to 10 l water).

3. CONSUMPTION

Routine cleaning: 0.1 litre per 100 m²
Final cleaning: 1 litre per 50 m²

Wood & Cork Floor Cleaner

4. STORAGE

Protect from frost. Store in a cool dry place. Keep out of the reach of children.

5. TECHNICAL DATA

Ingredients: water / less than 5% non-ionic surfactants , anionic surfactants / perfumes LIMONENE CITRONELLAL / preservation agents (BRONOPOL METHYLCHLOROISOTHIAZOLINONE METHYLISOTHIAZOLINONE)
GISCODE GU70 (daily cleaner, solvent-free, irritating)(Germany)
ADR/RID: Not a dangerous good as defined by transport regulations.
CLP/GHS: GHS07, Warning. Causes serious eye irritation If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wash ... thoroughly after handling. Wear eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Contains reaction mass of: 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May produce an allergic reaction. UFI: D390-T0X4-000G-X2UY
Further information on labelling and on safe handling can be found in the current Safety Data Sheet.
Even when using low-pollution products, the usual safety measures are to be observed. Keep away from children. Completely emptied containers can be disposed of with household waste or with the collection of recyclables.

6. SPECIAL NOTES

- Floors not only need to be cleaned, they also need to be maintained to protect and preserve their value and attractive appearance.
  Our recommended care products for lacquered wooden floors (lacquered wood, finished parquet with UV varnishes, finished parquet with UV oils, hard wax oil-coated parquet):
- Wood & Cork Floor Polish satin / Wood & Cork Floor Polish mat .
- Oiled-impregnated floors are leached out by water based cleaning. They must be re-impregnated with oils for maintenance. For this we recommend: Premium Care Oil .
